**WARNING: This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.**

## DIRECTIONS FOR USE

Feed Hackman Bros. Mega Pro "R" Show Cattle Conditioner at a rate of 2 to 2 1/2 pounds per 100 pounds of body weight. Also feed 3/4 to 1 pound of grass hay per 100 pounds of body weight. This feed is designed to be fed to show cattle when they are being shown to help keep fill on the cattle. Provide mineral, salt and good clean water at all times.

Consult your area feed specialist for additional feeding directions.
