DIRECTIONS FOR USE

Feed Mega Pro "R" 16% CP Lamb Finisher as a sole grain ration along with grass hay. Feed at the rate of 1 to 4.6 pounds per head per day to supply 15 to 70 mg Lasalocid per head per day. Keep free choice mineral and good, clean water available at all times. Consult with your area feed specialist for additional feeding recommendations.

CAUTION: The safety of Lasalocid in unapproved species has not been established.

* Albion's patented Metal Amino Acid Chelates, Albion Laboratories' patent 4,167,564 and patents pending.
